

Please support the work of the Sydney High School Foundation
Join the monthly giving program

Sydney Boys High School depends upon its community of parents, Old Boys and supporters to provide the opportunities for our students to pursue all-round excellence.

Our current vision is to build a new multi-purpose building, called the Governors Centre, to provide much needed extra facilities for our boys. The Sydney High School Foundation Building Fund has a monthly giving program so our community can support this goal. Your support will help us commence construction in the new year.

All donations to the Sydney High School Foundation Building Fund are fully **tax deductible**.

Under the program, your name, credit card details and nominated amount are sent to eWAY and, on the fifteenth of each month, eWAY makes an automatic monthly deduction from your credit card. Each June, we issue you with an annual receipt for all your tax-deductible donations. You can opt out of the Program at any time by notifying the Sydney High School Foundation Development Office in writing.

Thank you for helping to make a difference for our boys.
